Our Little Secret Litres

At 15, Emily is a relatively typical teenage girl living in the Maritimes. She lives with her eccentric dad as he prepares to build a log cabin. She rides her beloved horse and spends all her free time taking in the fresh air. But things aren't perfect, the winters are harsh and her dad's place is cold and draughty. Enter their neighbour who sees a girl in need and offers to lend a hand. Three words: "OUR LITTLE SECRET," and Emily's fate is sealed. Twenty five years later, Emily is adrift and depressed when she spots her neighbour again on a ferry. The events of that long-ago winter come rushing

back, and she is forced to reckon with the past anew. She vows that she will bring him to justice, tell her secret, and come to terms with the wounds that defined so many years of her life. Inept lawyers, expensive therapy, and a broken justice system block Emily's path to peace. Only when she rediscovers her youthful artistic talent by putting pen to paper does she see a way out. Now in her fifties, Carrington has crafted a compulsively readable debut that shows a powerful command of the comics medium. Our Little Secret is a testament to survival and to the importance of telling your story your way.

"Me-We" Wins is about women discovering who God created them to be, their inner "Me," and improving their lives reflectively. This process involves pulling back the many layers women have developed to hide/protect their "Me" from the potential pain of being vulnerable in their "We" relationships. She is forced to hide her "Me" and yet function daily as a partner of her "We" relationships in families, friendships, careers, marriages, and interactions with God. Each chapter addresses the various issues that may arise in the relationships and the positive versus negative reactions of her "Me." A workbook is included to help you personally connect and explore the details outlined in each chapter. At the onset of the book, we

explore who your "Me" is by identifying talents, gifts, and godly desires, as well as the negative distractions interfering with your "Me," evolving into all she was created to become. The focus is on discovering and enjoying your "Me" and, in turn, getting to know God as your creator. This book is a tool for women desiring to live their best life through the self-discovery of their internal, God-given power enabling them to win as "Me" and as a partner in "We."

What the hell, I thought, someone had just shaken me as I slept on my back. I lay there in the dark trying to figure out where I was. I put my left arm out for

Helen before realizing she wasn't there. Of course, I thought, I'm in the Super Sleeper in Anthemopolis. I must have dreamed someone was shaking me. I thought I heard a sound, nothing much. It was like someone was walking softly on the rug. There was a brief moment of fear before I thought, How silly. Just go back to sleep. I grabbed both of the extra-thick pillows that came with my king sized bed and pulled them both over my chest like I was hugging Helen. I was just starting to doze off when I felt pressure on my chest. Almost instantly there was a muffled 'pweeeee' sound, and the bottom pillow exploded in my arms. *Belgravia* Samuel French, Inc.
