**NKJV, Lucado Encouraging Word Bible** Thomas Nelson  
Sehnsucht: The C. S. Lewis Journal, established by the Arizona C. S. Lewis Society in 2007, is the only peer-reviewed journal devoted to the study of C. S. Lewis and his writings published anywhere in the world. It exists to promote literary, theological, historical, biographical, philosophical, bibliographical and cultural interest (broadly defined) in Lewis and his writings. The journal includes articles, review essays, book reviews, film reviews and play reviews, bibliographical material, poetry, interviews, editorials, and announcements of Lewis-related conferences, events and publications. Its readership is aimed at academic scholars from a wide variety of disciplines, as well as learned non-scholars and Lewis enthusiasts. At this time, Sehnsucht is published once a year.  
**Amazing Grace of Quantum Physics** Wipf and Stock Publishers

While the Church of England provides practical resources for clergy as they make changes in their ‘careers’, very little theological reflection has been done around this subject. Not all change is welcome and driving factors differ from those in secular employment. This important volume explores key questions to consider at points of transition.

C. S. Lewis: Anti-Darwinist Kregel Publications  
What does God intend for his broken creation? In this New Studies in Biblical Theology volume, Graham A. Cole seeks to answer this question by setting the atoning work of the cross in the broad framework of God's grand plan to restore the created order, and places the story of Jesus, his cross and empty tomb within it.  
Yours, Jack Group Publishing, Inc.  
English teachers Knol and Karsten have composed these moving reflections inspired by a wide range of writers, many of whom they have brought into their classrooms. And while some of their selections will no doubt be familiar to the reader, each of these meditations will kindle new insights. Attuned to the power of the written word, these seasoned teachers contemplate sacred themes, exploring passages from books that they love in light of passages from Scripture.

Keepers of the Way Abingdon Press  
C.S. Lewis wrote many great words, but not everything you see with his name on it is from the famed author of the Narnia books. Seventy-five quotations are presented that have an association in one way or another with a host of names, including: Ryan Seacrest, Anthony Hopkins, Max Lucado, Rick Warren, and Tim Allen! Learn the three most common ways Lewis is misrepresented: 1.Falsely Attributed Quotes: Expressions that are NOT by him. 2.Paraphrased: Words that are ALMOST what he said. 3.Out of Context: Material he wrote, but are NOT QUITE what he believed. This book doesn ’ t stop there. Also discover what Lewis actually said that is related to the presented misquotes. Those new to Lewis and the more serious reader of his works will grow in their appreciation of a writer that is not only quotable, but obviously misquotable!

Inspired Words Wipf and Stock Publishers  
Science and faith have had a long intertwined history. The relationship has run the gamut from a total disconnect to an adversarial battleground where proponents of each claim total victory. However, if God created the physical world and remains active in the physical world, we cannot ignore the interaction nor can we assume or expect a world of conflict. While nineteenth-century physics brought classical physics—which quite reasonably divorced God and nature—to a culmination, twentieth-century physics, especially quantum physics, has opened a new realm of possible interactions. Even though one can reasonably say that no one understands quantum physics, the fruits of the discipline overflow the cornucopia. People of faith can share the feast; and people of science are welcome at the table of faith.

BEYOND NARNIA Thomas Nelson  
Keep walking. This may be the day your Jericho walls come down. We all face them. Strongholds with a strong hold on our lives. Roadblocks to our joy. Obstacles in our marriages. Fortresses of fear blocking us from peace. How can we bring down these walls that keep us from the future God promises? Remember the story of Joshua and the battle of Jericho? Those were some formidable foes and big barriers. Max Lucado says the book of Joshua is in the bible to remind us of one thing: God Fights For Us! We can overcome, because He has already overcome. We were not made to stand

in the shadow of our walls and quake. We were made to stand on top of Jericho's rubble and conquer. We win, because God's already won. Need a new battle plan for life? Keep walking, keep believing. These may be your Glory Days.

Removing the Dragon Skin Thomas Nelson  
Daniel Mattson once believed he was gay. Raised in a Christian family, and aware of attractions to other boys at age six, Mattson's life was marked by constant turmoil between his faith in God and his sexual attractions. Finding the conflict between his sexual desires and the teachings of his church too great, he assumed he was gay, turned his back on God, and began a relationship with another man. Yet freedom and happiness remained elusive until he discovered Christ and his true identity. In this frank memoir, Mattson chronicles his journey to and from a gay identity, finding peace in his true identity, as a man, made in the image and likeness of God. Part autobiography, part philosophy of life, and part a practical guide in living chastely, the book draws lessons from Mattson's search for inner freedom and integrity, sharing wisdom from his failures and successes. His lifelong search for happiness and peace comes full circle in his realization that, above all else, what is true about him is that he is a beloved son of God, loved into existence by God, created for happiness in this life and the next. Mattson's book is for anyone who has ever wondered who he is, why he is here, and, in the face of suffering, where to find joy, happiness, and the peace that surpasses all understanding.

NIV, Faith and Work Bible ABC-CLIO  
Manage your time the way Jesus managed his with a biblical antidote to swamped to-do lists and hurried schedules. “ A highly practical road map. ” —Mark Batterson, New York Times bestselling author and lead pastor of National Community Church  
Despite the overwhelming amount of resources for time management and work-life balance, the ability to cultivate the efficiency and equilibrium needed to manage all our worthy pursuits can often feel frustratingly out of reach. The reason for our struggle is that productivity and time-management systems focus on individual habits rather than more meaningful and lasting lifestyle changes. But as it turns out, there is a better way to reach our full potential. We don ’ t need just another approach to changing our habits. What we need is an operating system that takes into account the full scope of our lives. In these pages, bestselling author Jordan Raynor presents this system, using seven powerful time- management principles drawn from the example of how Jesus lived: 1. Start with the Word: Find meaningful connection with the author of time daily. 2. Let Your Yes Be Yes: Accept only the commitments you can fulfill. 3. Dissent from the Kingdom of Noise: Create room for silence, stillness, and reflection. 4. Prioritize Your Yeses: Confidently maintain your commitments. 5. Accept Your “ Unipresence ” : Focus on one important thing at a time. 6. Embrace Productive Rest: Live the God-designed rhythms of rest which are productive for our goals and souls. 7. Eliminate All Hurry: Embrace productive busyness while ruthlessly eliminating hurry from our lives. With these principles, you ’ ll see how Jesus managed his time on earth and how he responded to human constraints much like the ones you face today. More than that, you ’ ll discover corresponding practices that will help you embrace the best, most Christlike version of yourself possible: purposeful, present, and wildly productive.

Venus and Virtue Zondervan  
This book is written for those who haven ’ t yet discovered the brilliance, humor, humility, and awe-filled writings of C.S. Lewis. Maybe one who has read The Lion, the Witch and the Wardrobe, but no other Narnia books. Or half of Mere Christianity and got side-tracked. Or has heard their pastor quote Lewis time and again and wonders “ why? ” Or thought: “ what is the big deal about C.S. Lewis? ” The author highlights the eight or ten most meaningful Lewis ideas that have transformed his life. Ideas such as “ what real joy is ” and “ the presence of God in everyday occurrences ” and “ the secret to recovery of child-like wonder ” and “ the startling relevance of Lewis to today ” and “ how believing in Christ makes the most sense. ” “ I enjoyed reading this wondrous book about C.S. Lewis. It is ‘ twice wondrous ’ because it is a pleasure not only to read Rich Latta ’ s insights into C.S. Lewis ’ s books, but to enjoy the feeling that comes when a writer opens his heart so warmly as Rich has done. I decided I want what Rich Latta has uncovered in the second half of his life: the enjoyment of a new start in seeing and feeling the wonder of God. This enjoyment is God Himself: “ more of God! ” Rich writes. It is also a heartfelt awakening to all that is wondrous in the world that God made. Thank you, Rich. You have given the reader a gift of awakened wonder, theirs and yours. ” —Bob Blincoe, PhD. President Emeritus, Frontiers

Medieval Wisdom for Modern Christians Ignatius Press  
We hear a lot about some of the “ big ” names in the Bible. Moses. Mary. Paul. But what about those who have a small mention, or whose names aren ’ t even known? What might they have to teach us about the faith journey? Footnotes is a unique four-week study that introduces us to some people who are just a brief blip on the screen of the Bible timeline, just a footnote in biblical story—people it would be easy to overlook but we shouldn ’ t underestimate. As you journey through this four-week study, you will be inspired by the backstories of these people of faith who show us that even minor players can teach major lessons.

Truth on Fire Wipf and Stock Publishers  
C. S. Lewis and the Art of Writing is written for readers interested in C. S. Lewis, the writing life, and in becoming better writers. Lewis stands as one of the most prolific and influential writers in modern history. His life in letters offers writers invaluable encouragement and instruction in the writing craft. In Lewis, writers don't just learn how to write, they also learn something about how to live. This volume explores Lewis's life in, as well as his practice of, writing. From his avid reading life, to his adolescent dreams to be a great poet, through his creative failures, to his brilliant successes, to his constant encouragement of other writers, C. S. Lewis and the Art of Writing celebrates one of the twentieth-century's greatest authors. Secularisations and Their Debates Yours, Jack  
This volume explores timely topics in contemporary political and social debates, including: the new atheisms, the debate between Habermas and the Pope on the fate of modernity, and the impact of new scientific developments on traditional religions. This book collects articles first presented at the Deakin University "World in Crisis" workshop, held November 2010 by leading Australasian philosophers and theologians. It addresses questions raised by the recent, much-touted return to religion, including possible reasons for the return and its practical, political, and intellectual prospects. Secularisation and Their Debates is not afraid to provide answers to such questions as: Is religion only ever a force of political reaction in modernity, or are there resources in it which progressive, even secular social movements, could engage with or adopt? Are the new atheisms, or on the opposite side, the new fundamentalisms, really novel phenomena, or has religion only ever been artificially sidelined in the modern Western states? Has modern liberalism only really been kidding itself about its non-doctrinal neutrality between different faiths, and if so, what should follow? This book will appeal to researchers in the philosophy of religion, social sciences, political philosophy, and anthropology.

God the Peacemaker Harvest House Publishers  
Do you find it easier to face the day when you know God is with you? Max Lucado believes it is! In God Is With You Every Day, Max uses his signature reassuring and encouraging voice, paired with practical, relevant, and personal messaging, to remind you that God is with you

S. Lewis Bible WaterBrook

Many Christians today tend to view the story of medieval faith as a cautionary tale. Too often, they dismiss the Middle Ages as a period of corruption and decay in the church. They seem to assume that the church apostatized from true Christianity after it gained cultural influence in the time of Constantine, and the faith was only later recovered by the sixteenth-century Reformers or even the eighteenth-century revivalists. As a result, the riches and wisdom of the medieval period have remained largely inaccessible to modern Protestants. Church historian Chris Armstrong helps readers see beyond modern caricatures of the medieval church to the animating Christian spirit of that age. He believes today's church could learn a number of lessons from medieval faith, such as how the gospel speaks to ordinary, embodied human life in this world. Medieval Wisdom for Modern Christians explores key ideas, figures, and movements from the Middle Ages in conversation with C. S. Lewis and other thinkers, helping contemporary Christians discover authentic faith and renewal in a forgotten age.

C. S. Lewis and the Art of Writing Brazos Press

In his spiritual memoir, Wiggins relates a personal story of redemption, but one in which he seeks to engage the reader by touching on universal themes.

Footnotes - Women's Bible Study Participant Workbook with Leader Helps InterVarsity Press

This book offers a clearly written, informative, and fair critique of Roman Catholicism in defense of the catholic faith. Two leading evangelical thinkers in church history and philosophy summarize the major points of contention between Protestants and Catholics, honestly acknowledging real differences while conveying mutual respect and charity. The authors address key historical, theological, and philosophical issues as they consider what remains at stake five hundred years after the Reformation. They also present a hopeful way forward for future ecumenical relations, showing how Protestants and Catholics can participate in a common witness to the world.

Sehnsucht: The C. S. Lewis Journal Christian Publishing House

Venus and Virtue are a match made in heaven. While popular culture often tends to think of Christianity as negative about sexuality and sexual pleasure, the fact is that Christians have the best of reasons to joyfully celebrate sex as a gift. Unfortunately, there is as much confusion about sex in Christian circles as there is in the culture at large. The authors of this book believe that this confusion can only be adequately addressed by drawing from the deep wells of biblical truth and traditional theology. The writers, however, are not only experts in biblical scholarship, theology, and philosophy, but also pastoral ministry, counseling, pop culture criticism, and women's issues. This book is not sexy in the typical sense of that word, but by situating sexuality within the cosmic drama of biblical revelation, the true beauty and goodness of sex most clearly emerges. And as that beauty emerges, we can begin to see why Christian morality not only makes profound sense, but also why it positively enriches the meaning of sex in ways that far outstrip the sexy secular alternative.
