What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today? What convinced someone skeptical about miracles that God still speaks and heals? A dramatic change took place in Jack Deere 's life when he took a fresh look at the Scriptures. He discovered that his cherished arguments against miraculous gifts were based more on prejudice and

a lack of personal experience than on the Bible. As soon as Deere became a seeker instead of a skeptic, the Holy Spirit revealed himself in new and surprising ways. In *Surprised by the Power of the Spirit*, Jack Deere provides a strong biblical defense for the Spirit ' s speaking and healing ministries today. He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way. Finally, he gives sound advice for using spiritual gifts in the church. Written in popular

style-with the care of a scholar but the passion of personal experience-this book is a vital resource for people on both sides of the debate about miraculous gifts.

An inspiring guide to finding your life's purpose—what spiritual teachers call dharma—through mindfulness and self-exploration. Stephen Cope says that in order to have a fulfilling life you must discover the deep purpose hidden at the very core of your self. The secret to unlocking this mystery, he asserts, can be found in the pages of a two-thousand-year-old

spiritual classic called the Bhagavad Gita—an ancient allegory about the path to dharma, told through a timeless dialogue between the fabled archer, Arjuna, and his divine mentor, Krishna. Cope takes readers on a step-by-step tour of this revered tale and highlights well-known Western lives that embody its central principles—including such luminaries as Jane Goodall, Walt Whitman, Susan B. Anthony, John Keats, and Harriet Tubman, along with stories of ordinary people as well. C. S. Lewis spent a good portion of each day corresponding with people via handwritten letters. Over his lifetime he wrote thousands of letters in which he offered his friends and acquaintances advice on the Christian life, giving away a bit of himself to each of these correspondents as he signed his notes with a heartfelt and familiar, "yours, Jack." Most of these letters are currently only available in their entirety—a collection
