Uncovering the Logic of English: A Common-
Sense Solution to America's Literacy Crisis

Highlights Press

Jeff Anderson and literacy coach Whitney La Rocca take you into primary and intermediate classrooms where students are curious about language, engage with the world around them, and notice and experiment with the conventions all writers use. Instead of chanting grammar rules or completing countless convention worksheets, we invite young writers to explore conventions as special effects devices that activate meaning. Our students study authentic texts and come to recognize these "patterns of power"--the essential grammar conventions that readers and writers require to make meaning. The first part of the book introduces a vibrant approach to grammar instruction and sets up what you need to immerse yourself in the Patterns of Power process, inviting students to experiment and play with language. The second part of the book offers over seventy practical, ready-to-use lessons, including: Extensive support materials Over 100 mentor sentences,

curated for grades 1-5 Student work samples Tips and power notes to facilitate your own knowledge and learning Examples for application In Patterns of Power Jeff and Whitney suggest that taking just five minutes from your reading workshop and five minutes from your writing workshop to focus on how the conventions connect reading and writing will miraculously affect your students' understanding of how language works for readers and writers.

Baltimore Elegance Christian Liberty Press

This wipe-clean cursive handwriting book, developed with handwriting experts at Zaner-Bloser, the leader in teaching kids to write for more than 125 years, combines Hidden Pictures puzzles and other fun activities with cursive handwriting practice in a convenient reusable format. While many schools no longer teach cursive, it is still an important life skill. Highlights brings "Fun with a Purpose" into learning cursive with this fifty-six-page, full-

color, write-on, wipe-off book with included dry erase marker. The book has easy-to-follow instructions and special digital QR codes on the pages that can be scanned with a mobile device to launch animated handwriting tutorials that make learning cursive easy and fun. The book's horizontal layout will allow both right-handers and left-handers to write smoothly, free of any obstruction from the spiral.

Junkyard Wonders Continuing Education Press

"English is so illogical!" It is generally believed that English is a language of exceptions. For many, learning to spell and read is frustrating. For some, it is impossible... especially for the 29% of Americans who are functionally illiterate. But what if the problem is not the language itself, but the rules we were taught? What if we could see

the complexity of English as a powerful tool rather than a hindrance? --Denise Eide Uncovering the Logic of English challenges the notion that English is illogical by systematically explaining English spelling and answering questions like "Why is there a silent final E in have, large, and house?" and "Why is discussion spelled with -sion rather than -tion?" With easy-to-read examples and anecdotes, this book describes: - the phonograms and spelling rules which explain 98% of English words - how English words are formed and how this knowledge can revolutionize vocabulary development - how understanding the reasons behind English spelling prevents students from needing to guess The author's inspiring commentary makes a compelling case that understanding the logic of English could transform literacy education and help solve America's literacy crisis. Thorough and filled with the latest linguistic and reading research, Uncovering the Logic of English demonstrates why this systematic approach should be as foundational to our education as $1 + 1 = 2$. Spelling Connections Stenhouse Publishers NC State textbook adoption 1998-2003. Explode the Code 4 Rainbow Horizons Publishing If you always wanted to create a Baltimore Album quilt, you'll love Elly Sienkiewicz's new collection of smaller,

less-complex blocks that are perfect for your first Baltimore Album. Or, enlarge the blocks for a larger work! More than two dozen block designs are also ideal for adding elegance to accessories and home decor, or for creating a very special child's quilt. In-depth how-tos and Elly's skill-building lessons will have you creating block after block.

The Barebones Grammar curriculum provides teachers the tools needed to effectively teach multisensory grammar and sentence and paragraph writing in a fun, fast-paced, manner appropriate for all ages of students. The teacher manual includes all of the

scripted multisensory discoveries, manipulatives, charts, and student activity and practice pages.

Zaner-Bloser Handwriting Zaner-Bloser Handwriting"Handwriting is proven to develop fine motor skills and eye-hand connection, strengthening the ability to translate ideas into words. In fact, it equips students to write and read more efficiently than reading and instruction alone. So when it comes time to assess students' yearly progress, it's not just about reading (or math, or science). It's about preparing confident communicators equipped with cross-disciplinary skills that translate directly to

demonstrating proficiency on standardized tests. Zaner-Bloser Handwriting has been carefully designed to support the Texas Essential Knowledge and Skills (TEKS) standards for handwriting. References to the TEKS appear throughout the Student and Teacher Editions."--Page v. Handwriting Skills Simplified Zaner-Bloser Simplified Method – Improving Manuscript Writing
Bumper 200-page handwriting practice notebook - excellent quality and amazing value! 200 pages of high-quality handwriting practice paper. The wide lines and dotted center help kids practice

their letters and numbers until they are perfected. 8.5 x 11 inches - large size provides lots of space for writing High-quality white paper - 60gm Made in the USA
Africa Corwin Press
Legible handwriting will help in all school subjects. And, even in the age of the computer, clearly written communication will be important throughout life. This book guides in the development of legible handwriting and provides opportunities for practice. To maintain skills, children must keep practicing. Athletes, musicians, technicians, doctors, lawyers, and teachers all must continue

practicing to maintain and improve skills. So do students. Handwriting Skills Simplified provides the guided practice students need to progress and succeed. This title reviews basic strokes and paper position, focuses on form with letter size relationships, spacing, letter shape and introduces numerals. Includes simplified letterforms, writing grids, simplified approach and techniques, all with ample review and evaluation. The title ends with a preview into cursive letterforms. Based on the popular Zaner-Bloser Simplified Method, teachers and home-schooling parents alike will find this step-by-step program is the

perfect path to legible penmanship.

Handwriting Practice Paper

This activity workbook provides a creative and motivating format for learning manuscript writing. Good manuscript writing comes with practice. These pages offer a sequential program of development and practice with examples for guidance. Readiness strokes and activities are provided to help children prepare to form specific letters. Each letter is introduced with numbered, step-by-step directions for forming the letter.

Write-On Wipe-Off Let's Write Cursive
The Learn to Write in Cursive Handwriting Practice workbook, provides extensive focus on cursive letter and sentence formation. This cursive tracing book contains more than 8,000 cursive tracing units. It contains individual cursive letters as well as cursive sentences from the classic alphabet poems. This beginning cursive letter writing workbook features a full-page format that focuses on one uppercase and lowercase cursive alphabet per page-a method that allows for thorough practice when learning to write each letter correctly. Students will have a minimum of 200 opportunities to trace each cursive letter before being presented with freehand cursive practice pages. Once a student has adequately mastered each cursive alphabet they may then move on to the next cursive letter or

skip around as comfortable. Practicing cursive handwriting on a daily basis with the Learn to Write in Cursive workbook will expand a student's understanding of the concepts of cursive writing. When cursive handwriting is practiced daily, spacing between words becomes more consistent. Teachers and parents can use the Learn to Write in Cursive Handwriting Practice workbook to utilize hand-over-hand guidance techniques that will help students make correct cursive letter strokes. Guided lines have been provided in this handwriting workbook to teach correct cursive letter formation and word spacing quickly and effectively. Cursive handwriting practice doesn't have to take place on paper only. Everyday objects can be used to help students create cursive letters. Students should be encouraged to write cursive letters in the air, sand, clay,

shaving cream, etc. to make learning cursive fun. This handwriting book is perfect for improving cursive penmanship. It's a great cursive writing resource for the homeschool classroom as well as public and private 1st grade, 2nd grade, and 3rd grade classrooms. It's a great companion to printed alphabet handwriting programs such as Zaner-Bloser and Kumon. The Learn to Write in Cursive Handwriting Practice workbook is superior to traditional one-page online cursive penmanship worksheets because it gives students a chance to get used to using a full-size (8.5x11) workbook format-the same type used in classrooms. Spelling Connections 2004 Teaching the Language Arts helps readers envision their future classrooms, including the role

technology will play, as they prepare to be effective teachers. The book ' s multimedia digital format represents a distinctive way to learn about teaching—combining traditional and electronic content, resources, and pedagogy to create a powerful, interactive experience that encourages active learning. Readers can explore a rich array of teaching tools and experiences, including an effective blend of classroom photographs (taken by the authors during school visits), student samples, podcast interviews with teachers and students, classroom videos, and online resources—all of which allow readers to learn from real-world classrooms. This book ' s unique and engaging voice, supported by its multimedia approach, will help future and in-service teachers bring the language arts to life in their own classrooms. Visit the Companion Website at www.routledge.com/cw/dobler for information on accessing the interactive e-book and additional ideas and resources to help you and your students use it to its full potential.

Handwriting Skills Simplified Zaner-Bloser Simplified Method – Improving Manuscript Writing

Covering reading and writing, this book provides specific interventions for tiers 1, 2, and 3 within a multi-tier RTI framework so diverse learners can experience successful literacy.

Spelling Connections

Inspired by a teacher who believes each of them is a genius, a class of special-needs students invents something that could convince the whole school they are justifiably proud to be "Junkyard Wonders."

The Educator

This five-part handwriting program is written in the traditional Palmer style.

The first two books in the series introduce and fully develop the basic principles of manuscript writing. The last three books in the series introduce and fully develop the basic principles of cursive writing. Each workbook is published in a top quality, two-color format. A detailed instruction guide is provided with

every workbook, at no additional charge. Bible verses are stressed throughout the series. Writing with Prayer is the third book in the series, for Grade 2. Handwriting practice pads may be purchased separately.
