Busy Bodies: Chocolate Flava 4 Beyond Words / Atria Books
Zane, the New York Times

bestselling author and Queen of Erotic Fiction, brings a new collection of lesbian erotica that will blow the sheets off beds everywhere. What happens when "The Finest Man" you have ever laid eyes on is a woman? What happens when a woman comes home to her man after a hard day's work with "Lipstick on Her Collar?" What happens when a married woman runs across the love of her life -- another woman -- who insists that "It's All or Nothing?" Is there such a thing as playing too "Hard to Get?" What happens when "Mom's Night Out" turns into group sex? What happens when you discover your true sexuality "At Last?" All of these questions and more are answered within the pages of Purple Panties. Written by women from all over the world, here is a new level of lesbian erotica, compiled by Zane, that promises the most exciting and steamy reading experience possible. These stories move beyond race, age, and all walks of life, including long-hidden passions, secret rendezvous with strangers, and May-December

romances. With Zane's ever-growing popularity, and the need for increasingly quality erotica, Purple Panties will satisfy a long-standing demand for African-American lesbian literature. In the tradition of such successful erotica anthologies as Chocolate Flava and Caramel Flava, Purple Panties uncovers a new world of evocative risk-taking that has never been explored before from a lesbian perspective. Erotica about a testy
love affair between a
woman who's had enough
and a man who's had it
all. Jemistry Daniels,
the beautiful,
intelligent, six-
figures-a-year high
school principal,

suffered through one bad relationship after another. No wonder she adopted the "friends with benefits" mentality when it came to men. For Jemistry, there was to be no "catching feelings." Her biggest mistake would be to open her heart again. When Dr. Tevin Harris meets Jemistry at a poetry reading in a café, he knows from her confessional writing that her past with men has been difficult. The prominent vascular surgeon, who has been only casually dating for years, is attracted to the embittered Jemistry nonetheless. With a little persistence, Tevin convinces Jemistry to go out with him. She has baggage, but so does he. What about his divorce? Despite their

respective pasts, Jemistry and Tevin's chemistry is right and the relationship takes off, but not without bumps in the road. When Jemistry encounters her new beau in a compromising position with her bisexual best friend, what follows is an intense, sensuous, and unforgettable drama with surprises around every turn.
