fireworks. With an African American and Asian mix of sexy characters, Zane picks the most clever and bold male and female writers to deliver a collection like no other. Stories like *Geisha Girl* and *Pins and Needles* give tea and acupuncture a whole new meaning, and the word "Master" is a term of endearment in *The Meaning of Zhuren*. In tantalizing portraits of some of the hottest—and sweetest—scenes you'll ever want to experience, *Honey Flava* will take you to a sensual paradise of no return.

*Hope and Faith*: two things that everyone needs to survive—but the words take on a different meaning in the form of a set of twins who attend Crockett University in Washington, D.C. *Soror Ride 'em High* and *Soror Lick 'em Low*, originally hail from Atlanta and, like most twins, they share a connection. In fact, their physical bond is so strong, that one can often feel a pounding while the other is engaged in sexual activity. But everything is not perfect when it comes to being a twin. Sometimes animosity and jealousy can creep in; especially when *Hope and Faith* find themselves both attracted to the same man on campus. Is blood really thicker than water? Or, in this case, thicker than basic

carnal desires? In this long-anticipated second volume in the APF series, a follow-up to *The Sisters of APF: The Indoctrination of Soror Ride Dick*, New York Times bestselling author Zane once again proves why she is the Queen of Erotic Fiction. Over the years many have tried to emulate her but Zane's imagination is not to be replicated any time in the near future. The freak nights of APF are some of the most artistic, exhilarating, erotic experiences that have ever graced the pages of a book; evidenced by the thousands of emails Zane has received over the years from women yearning to join the sorority. The sexual revolution continues within the pages of *Head Bangers: An APF Sexcapade*. *Luscious Curves* Atria Books  
Finding love isn't easy and keeping love is even harder—especially when everyone seems bent on trying to destroy it. When Washington, D.C., chiropractor Yardley Brown goes to his local bank, it isn't only to make deposits into his account. He has long since accrued some interest in Rayne Waters, a bank employee who's too beautiful to be true—and too beautiful to be single. At least that's what Yardley believes, which is why he has never approached her. Little does he know that Rayne is anything but taken. Not for want of

trying, of course. But after barely surviving a dating disaster with her hairdresser's brother and then falling for a member of her church band, she's on the verge of giving up. That is, until Yardley—discouraged by his own slew of dead-end romances—finally works up the courage to give her a try. But the true craziness is just beginning, thanks to a cast of characters who seem bent on botching the young couple's relationship. There's Rayne's erratic mother, Yardley's playboy buddies, always trolling for sex, and past lovers who make a habit of popping up to ruin things as only old flames (or previous mistakes) can. Weaving the carnal and the comical in true Zane fashion, Rayne and Yardley's struggle to find love in a world gone mad is a timeless talk about everything that can go wrong in the dating game—and a few things that can go right.
