Ages, the Crusades, and the feudal system all impacted the types and forms of music in the period. Charlemagne standardized the church mass and promoted the Gregorian chant, to the point of threatening excommunication if any other were performed. Musical notation — the staff line — was developed during the period. The troubadours of France, Meistersingers of Germany, the Cantus Firmus of Italy, and the instruments that played the music are all included in this thorough guide to music of the middle

ages. Topics include: the British Isles, Dance Music, Eastern Europe, France, Germanic Lands, Harps, Italy, the Low Countries, Spain, and more. The comprehensive "bible" for financial experts providing litigation support The Litigation Services Handbook is the definitive guide for financial experts engaged in litigation services. Attorneys require financial experts now more than ever, and this book provides the guidance you need to provide a high level of service as witness and consultant. Enhance your litigation skills as you delve into the fine points of trial preparation, deposition, and testimony; project authority under examination, and hold

up to tough questions under cross-examination. Fraud investigations are a major component of litigation support services, and this book delves deep into Sarbanes-Oxley compliance and other relevant topics to give you a foundational understanding of how these cases are prosecuted, and your role as the financial services expert. This updated sixth edition includes new coverage of technology's role in the financial expert's practice, and the focus on investigations provides
