For the 8-speed automatic

transmission, ZF set out to design and develop an entirely new gear set concept. The result is a revolution in transmission design: a transmission concept with 4 gearsets which requires only 5 shift elements - of which only two are open in any given gear. *ZF Transmissions - Marine Parts Express*

TRANSMISSION ZF This manual contains the exact work procedure to repair transmission 4 HP 22.

Disassembly and assembly of the transmission is explained in chronological order. Depending on the failure, the repair of the transmission can be done as necessary.
