Americans All, Immigrants All, a Handbook for Listeners and a Manual

For anyone curious about the nuts and bolts of human ingenuity, How Things Are Made is a fascinating exploration of the process behind the manufacture of everyday items. What are bulletproof vests made of? How do manufacturers get lipstick into the tube? How many layers are there in an iPhone screen? The answers to these questions and so much more fascinating information can be found in How Things Are Made, a behind-the-scenes look at the production everyday objects of all kinds, from guitars, sunscreen, and seismographs to running shoes, jet engines, and chocolate. Thoroughly revised and redesigned from the best-selling 1995 edition, How Things Are Made also contains three new entries by

author Andrew Terranova. However, each page still contains informative step-by-step text along with detailed but easy-to-follow illustrations, diagrams, and sidebars to tell the stories behind the things we sometimes take for granted. For example, did you know that Edison didn't really invent the light bulb? Or that the first bar code was on a pack of Wrigley's Spearmint gum? Or that a maple seed inspired the design for the helicopter? Discover these fascinating anecdotes and much more in How Things Are Made.

The Rotarian

What the critics are saying about Just Wait Until We Get Home: "It looks like a really great book...judging it by its cover. I haven't actually read it yet, but I hope to soon."--Boston Accent & Times Tribune "A subtle murder mystery with deep, complex characters and an interesting, involved subplot make this story a real suspense-filled page turner...or no, wait, hold the line a second, that's a different book entirely. Uhm, I believe we have some sort of mix up here. Sorry about that. Nevermind!"--Southern Drawl & Globe Gazette "The book Just Wait Until We Get Home! is an abomination. It is in no way representative of the people of the great Midwest, the heartland of our country. We are not all vandals and criminals. I think Tristram Hoosier should get a day job."--Midwestern Twang & Town Crier In Tristram Hoosier's second book about his family and growing up in Gary, Indiana, a neighbor's garage burns down, a grandmother reminisces about how Tristram's great-grandfather was arrested during Prohibition, an aunt makes a drug bust, a neighbor kid builds a real, working cannon in metal shop and a church bake sale turns into a disaster. Just Wait Until We Get Home! clearly illustrates that it's never too early to start procrastinating.

Brands and Their Companies
