Shankman's style is fun and distinctive, and "*Zombie Loyalists*" is a great read. If you work in m I work in marketing, so naturally I was intrigued by this book's central concept: that consumers have become so inured to horrible service that any consideration at all for their needs and feelings will result in devotion to your company/brand.

**Zombie Loyalists: Using Great Service to Create Rabid Fans**

For over thirty years, we focused almost entirely on the business book genre. We are not abandoning the expertise we've built up in that space or business books themselves, but we have decided it's time to broaden our scope beyond it.
