automatons made popular by countless movies and books. This fascinating collection includes the stories of the Devil Baby of Bourbon Street, a monstrous creature complete with horns and tail that still lurks in the shadows of the Big Easy; Black Mama Courteaux and the great zombie war, involving hundreds of zombie soldiers battling for the supremacy of their queen; and the swamp child of Mama Cree, who still roams the bayous of Louisiana. In addition to the stories, a variety of zombie-related facts are explored, including

ceremonies and initiations, zombies throughout history, sacred zombie and voodoo-related sites, and zombies and monsters of the Bible.

Zombies

Sourcebooks, Inc.

The zombie has cropped up in many forms--in film, in television, and as a cultural phenomenon in zombie walks and zombie awareness months--but few books have looked at what the zombie means in fiction. Tim Lanzendörfer fills this gap by looking at a number of zombie novels, short stories, and comics, and probing what the zombie represents in contemporary literature.

Lanzendörfer brings together the most

recent critical discussion of zombies and applies it to a selection of key texts including Max Brooks's *World War Z*, Colson Whitehead's *Zone One*, Junot Díaz's short story "Monstro," Robert Kirkman's comic series *The Walking Dead*, and Seth Grahame-Smith's *Pride and Prejudice and Zombies*. Within the context of broader literary culture, Lanzendörfer makes the case for reading these texts with care and openness in their own right. Lanzendörfer contends that what zombies do is less important than what becomes possible when they are around. Indeed, they seem less interesting as metaphors for the various ways the

world could end than they do as vehicles for how the world might exist in a different and often better form.

Warm Bodies and The New Hunger

Simon and Schuster's *Zombie Talk* offers a concise, interdisciplinary introduction and deep analytical set of theoretical approaches to help readers understand the phenomenon of zombies in contemporary and modern culture. With essays that combine Humanities and Social Science methodologies, the authors examine the zombie through an array of cultural products from different periods and geographical locations: films ranging from *White Zombie* (1932) to the

pioneering films of George Romero, television shows like AMC's *The Walking Dead*, to literary offerings such as Richard Matheson's *I am Legend* (1954) and Seth Grahame-Smith's *Pride, Prejudice and Zombies* (2009), among others.

“A mesmerizing evolution of a classic contemporary

myth.” —Simon Pegg “A strange and unexpected treat...elegantly written, touching, and fun.”

—Audrey Niffenegger, author of *The Time Traveler's Wife*

“Has there been a more sympathetic monster since *Frankenstein's*?”

—Financial Times
In *Warm Bodies*, Isaac Marion's New York Times bestselling novel that inspired a major film, a zombie returns to humanity through an unlikely encounter with love. This special five-year anniversary edition

includes the powerful prequel novella, *The New Hunger*, which sheds light on the saga's past while setting the stage for its epic conclusion. "R" is having a no-life crisis—he is a zombie. He has no memories, no identity, and no pulse, but he is a little different from his fellow Dead. He may occasionally eat people, but he'd rather be riding abandoned airport escalators, listening to Sinatra in the cozy 747 he calls home, or collecting souvenirs from the ruins of civilization. And then he meets a girl.

First as his captive, then his reluctant house guest, Julie is a blast of living color in R's gray landscape, and something inside him begins to bloom. He doesn't want to eat this girl—although she looks delicious—he wants to protect her. But their unlikely bond will cause ripples they can't imagine, and their hopeless world won't change without a fight. Together, *Warm Bodies* and *The New Hunger* form a richly layered tale of love and hope in the darkest of times,

while also opening the doors to an epic saga that continues with *The Burning World*, an excerpt of which is included in this edition for current fans and newcomers alike. The Mammoth Book of Best New Horror 21 Chicago Review Press They were indeed a queer-looking party that assembled on the bank—the birds with draggled feathers, the animals with their fur clinging close to them, and all dripping wet, cross, and uncomfortable. All of them were covered in Alice's now cold and congealed blood, which made them even tastier looking to poor hungry Alice. When little Alice follows the Black Rat down into the gaping

darkness of an open grave, she falls and falls. And soon finds herself in an undead nightmare of rotting flesh and insanity. Venturing further into this land of zombies and monsters, she encounters characters both creepy and madcap along the way. But there's something else troubling poor Alice: her skin is rotting and her hair is falling out. She's cold. And she has the haunting feeling that if she remains in *Zombieland* any longer, she might never leave. Can Alice escape *Zombieland* before the Dead Red Queen catches up to her? *Book of the Dead* St. Martin's Griffin
The zombies are here. An accidental outbreak of a mutated virus

unleashes hundreds of the undead on the sleepy town of Flat Rock, Nevada. Now, Sheriff Penny Miller must use her wits, grit, and damn near all of her ammunition to endure the arrival of zombies. Sheriff Miller quickly finds herself leading a vicious biker named Scratch, her ex-husband Terrill Lee, and a unit of incompetent National Guardsmen to safety. At their heels is Colonel Sanchez, the wicked Army commander who is pursuing Miller to gain the special powers the virus has given her. With a gang of murderous bikers on their tail and

surrounded by slobbering hordes, Sheriff Miller must do what she does best: Aim for the brain! "THE HUNGRY is a zombie thriller loaded with sex and smarts. A real nail-biter that brings a new weapon to bear in apocalyptic fiction: Hope. Highly recommended."
—Jonathan Maberry, *NYT Times* bestselling author of *Dust & Decay* and *Dead of Night* "If you 're craving an apocalyptic horror novel that 's not just wall-to-wall action but balls-to-the-wall intense, Steven W. Booth and Harry Shannon have cooked up a real treat for you. I would say

<p>The Hungry will leave and Cage of Night you totally satisfied, but that 's not true: Readers will be howling for more more more MORE just like the hordes of insatiable zombies rampaging through this book. " —Steve Hockensmith, author of <i>Pride and Prejudice and Zombies: Dawn of the Dreadfuls</i> "You don't know what gut-churning page-flipping horror really is until you read this one. The Hungry combines the storytelling power of the big commercial thriller with many new twists on standard zombie fiction. A real winner." —Ed Gorman, author of <i>The Dark Fantastic</i></p>	<p>"From the opening line, I loved it. I loved how complete it felt. It had so many great elements working for it - the small town setting; the two powerful main characters, as different as they could be, nearly every word between them charged with sexual tension; the satisfying stalemate as neither one gets exactly what they want, but rather what they need. A great story, and for a zombie fan like me, it pressed all the right buttons." —From the Introduction by Joe McKinney, author of <i>Dead City and Flesh Eaters</i> The Hungry 1 Capstone</p>	<p>The year's best, and darkest, tales of terror, showcasing the most outstanding new short stories and novellas by both contemporary masters of the macabre and exciting newcomers. As ever, this acclaimed anthology also offers the most comprehensive annual overview of horror around the world in all its incarnations; a comprehensive necrology of famous names; and a list of indispensable contact addresses for the dedicated horror fan and writer alike. The Mammoth Book of Best New Horror remains the world's leading annual anthology dedicated</p>
--	--	--

solely to presenting the best in contemporary horror fiction. Praise for Stephen Jones: 'The best horror anthologist in the business is, of course, Stephen Jones, whose Mammoth Book of Best New Horror is one of the major bargains of this as of any other year.' Roz Kavaney 'An essential volume for horror readers.' Locus 'Stephen Jones . . . has a better sense of the genre than almost anyone in this country.' Lisa Tuttle, The Times Books So Now You're a Zombie Mark V. Ziesing Life has become "Zombified." The air itself carries death or worse. A few hardy, starving souls band together to try to make sense of Life's new rulebook while holding on to what little "humanity" they have left. Husk: A Tale of Human Hunger is a book that examines Life's incomprehensible, insatiable and cannibalistic need to consume life. Set in the oddest zombie apocalypse imaginable, it follows the paths of several starving characters, all precariously balanced between lack and plenty, in their never ending search for more "food." After the reader is finished with this story, they may have to ask themselves an uncomfortable question: "Am I alive, dead . . . or neither?" Husk: A Tale of Human Hunger is the first book in a trilogy. The second book will take the story in a whole new direction, resolving many of the conflicts left open in Husk. Expect the second book sometime in the summer...if the world survives! Husk: A Tale of Human Hunger deals with mature subject matter, has strong language and

is intended for a mature audience. The main theme of the novel is the overriding emptiness in all people (for food, stuff, power, love, you name it) which is never questioned and can seemingly never be filled. The trilogy hopes to expose the alternative. Like an unexpected olive pit on unsuspecting martini-teeth, Husk is intended to unsettle, both with its subject matter and style. The author hopes you enjoy the zombie apocalypse and disease he has constructed. He also hopes you	appreciate the pre-existing human condition that puts anything the zombies could hope to accomplish to shame. www.huskbkbook.com Facebook/ huskatal e #huskbkbook The Living Dead 2 Skyhorse Publishing, Inc. Reginald isn't like the other zombies who shuffle through Quirkville, scaring the townspeople and moaning for BRAINSSSSS! The only thing Reginald's stomach rumbles for is sticky peanut butter and sweet jelly. He tries to tell his zombie pals	that there's more to life than eating brains, but they're just not interested. Will Reginald find a way to bring peace to Quirkville and convince the other zombies that there's nothing better than peanut butter and jelly? Debut author Joe McGee and up-and-coming illustrator Charles Santoso have crafted a delicious tale about being true to yourself that will make readers hungry for more. I'm Undead and Hungry! Abrams THE NELSON MOORE CHRONICLE IS A TRIP ... Nelson
---	---	---

Moore, our lovable stoner, takes over the telling of this, the eighth installment in the series. What he shares is terrifying and surprising. After encountering the living dead in Central Park, Nelson decides he must escape New York City and get to his grandfather, Jim Scofield, in Concord, New Hampshire. With his mellow, sweet demeanor, nobody could have predicted what this kind-hearted dude went through on his journey. Concord is only hours away, but things have a way of twisting around during a zombie apocalypse. As Nelson works his way through the dangerous streets of

New York, he encounters other survivors; some friends, some strangers. Compassionate and unable to say no to people in need, his plans are tweaked - and the resulting madness will help to build the character you first came to know and love in volume four of these chronicles. Gem Cardoza asks Nelson to tell his story, unaware of the horrors he went through on his journey across the country. Nelson reluctantly agrees and leaves nothing out, from the death of his friends to each terrifying encounter with the walking dead. If you thought

Nelson was intriguing before, this will change the way you see our long-haired, scooter-riding friend. Sit back and dig in. Maybe pack a bowl, too. It might help set the mood. The Hunger CreateSpace All aspects of the zombie lifestyle are surveyed in this satirical take on an orientation manual for the newly undead. From how one became a zombie in the first place and the stages of zombification to survival mechanisms, this handbook offers specific advice on everything a fresh zombie needs to know about "life" expectancy, hunting

techniques, hitching a ride, hand-to-mouth combat, and feeding etiquette.

Instructions for extracting the living from boarded up farmhouses and broken down vehicles are included along with dozens of helpful diagrams outlining attack strategies such as the Ghoul Reach, the Flanking Zak, the Bite Hold, and the Aerial Fall for securing human prey and their all-important flesh and brains.

Dead Hunger IV: Evolution Black Dog & Leventhal Pub "The Undead" is a stunning collection of 23 tales of the living dead by zombie fan favorites and up-and-coming authors. "The

Undead" includes classic tales of survival in a world populated by the living dead as well as an array of unique takes on the zombie genre: zombies as reality entertainment, glimpses from inside the "life" of the undead, intergalactic war with humanity's own dead turned against us, and everything in between. "The Undead" will leave zombie fans hungry for more! The Hungry 2 AuthorHouse An illustrated overview of zombies, describing the history of the belief in zombies, discussing depictions of them in popular culture, and relating stories and tales that feature the legendary

creatures.

Hungry are the dead, unable to be sated. Still their nation grows.

-Winifred Lewis
Every culture has its tales of ghosts and ghoulies, dead things that stalk the night to prey upon the living. Stories of these creatures have been told around campfires from time immemorial,

lending an added chill to the darkness beyond. They have been the subject of countless songs and poems. What is it that the living find so fascinating about the living dead? That is a question we'll leave you to answer. We're just happy to add to the mythology in this collection of poetry and short stories featuring "zombies, vampires, ghosts, and other dead things that want to eat you."

If you thought Nelson was intriguing before, this will change the way you see our longhaired, scooter-riding friend. Sit back and dig in. Maybe pack a bowl, too ... It might just help set the mood. Horror Literature through History [2 volumes] Crooked Lane Books Celebrates zombie

pop culture that has evolved since "Night of the Living Dead," tracing early mythological origins in African folklore and Haitian voodoo as well as modern incarnations in film, literature, and video gaming.

Hungry for Your Love St. Martin's Griffin

The Zombies are Spreading... Small town Sheriff Penny Miller and her friends Scratch, Terrill Lee, and Sheppard escaped from Nevada moments before a devastating nuclear explosion intended to eradicate the zombie plague. The Government's plan didn't work, and the undead are spreading fast.

When Miller and her men find an abandoned hunting lodge in a remote village in Colorado, they're hoping to steer clear of zombies, redneck survivalists, and panicked locals, and to simply ride out the winter. Penny Miller just wants some peace and quiet, a glass of wine in front of the fireplace, and maybe some quality time with Scratch over the holidays. Unfortunately, that isn't Santa coming down the chimney- and this will not be a Merry Christmas. "Zombie thrillers loaded with sex and smarts." -Jonathan Maberry, NYT Best Selling Author of Extinction Machine

"Defines laugh-out-loud funny."

-Bookish Brunette

"From the opening line, I loved it. For a zombie fan like me, presses all the right buttons." -Stoker winner Joe

McKinney, Author of Dead City and Flesh Eaters "The dialogue and narrative crackle, and the expressions that come out of Penny's mouth are hilarious. Great combination of action, gore, horror and humor."

-Dana Fredsti, Author of Plague Nation
