With the release of The Old Hunters, Bloodborne becomes complete. And since the expansion is worthy of its own guide, here we go again: our Bloodborne Collector's Edition Guide is about to get the perfect companion. With the same understated look, unparalleled detail and luxurious extra content, these two books are designed -- inside and out -- to sit side-by-side. The original Bloodborne Collector's Edition Guide is one of the highest rated and best-received game books ever made, and we're giving The Old Hunters the same treatment. Whether you want to fully explore the new areas, learn everything there is to know about each new weapon and character, understand the intricate Lore or admire the work of FromSoftware's concept artists, you'll have a single, invaluable

resource to delve into. A Whole New Game: an entire chapter dedicated to highlighting the ways Bloodborne has changed since its release and analyzing how The Old Hunters impacts progression through the full game. Hunting the Nightmare: using our unique hybrid area guide format, exclusive, beautifully illustrated maps take you through the new areas the way you want -- either follow along a route or focus on a single location -- you determine the pace of action. Twice the Arsenal: the Old Hunters almost doubles your available tools, so the possibilities in combat have increased exponentially. Find out not only how every new weapon, spell and Caryl Rune works and is used most efficiently, but how they affect Bloodborne's existing arsenal as well. The Most Lethal Enemies: new nightmare creatures are introduced in The Old Hunters, and -- here's a promise -- they're the toughest and most lethal you'll have faced in Bloodborne. We've dedicated countless hours to turn killing each of them into a

science you can rely upon, no matter what play style or equipment you prefer.

Interconnected Lore: detailing NPC quests and character interactions is no longer just an invaluable extra -- it's our aim to provide the most complete look at Bloodborne's story and character connections available anywhere! Every important line of text or dialog that links one place or character to another is laid out in an intuitive format for clarity and reference. Extended Art: we've made it our highest priority to showcase FromSoftware's glorious original and newly created artwork on lavishly designed pages. Each piece is displayed sharp and in full size for your viewing pleasure.

Renowned probability theorist Edward O. Thorp revolutionized the casino industry by developing card counting systems for the casino game of blackjack. Les Golden, the celebrated blackjack, roulette, and craps columnist for Bluff Europe, Gambling.com, iGaming Business, GamblingOnline, and Jackpots Review magazines, tells Thorp's incredible true story of lucrative applied probability with charm, wit, and humor. Whether you visit casinos for fun, dinner money, or a living, or whether you're simply interested in a story of romance and casino intrigue, this lively biographical novel will capture and delight you. Illustrations by the author. "I found the story tremendously entertaining, with a pantheon of compelling characters such as gambler Ed Thorp and bookie Manny Kimmel taking us from the casinos of Nevada to those of San Juan, Puerto Rico. Les Golden's novel is a triumph begging for adaptation to the screen."—LANA WOOD, Film and T.V. Producer, Actress ("Diamonds Are Forever")

Best-selling Author, Natalie, a Memoir "Les Golden has an ever-increasing influence and burgeoning popularity. A significant name in the industry, the 'go to' man for strategy and anecdotal literary dexterity. I cannot acclaim his star highly enough."—JAMES MCKEOWN, Editor, iGaming Business Magazine and Gambling.com Magazine

"Les Golden is a comedy genius. It really is as simple as that. An expert in the field, he makes getting educated not only painless but actually funny."—DAVE BLAND, Editor, Flush Magazine, British television pundit "I learn more about strategy through Les' writings than I do through many failed trips to Vegas. Always concise, easy-to-read, and intelligent."—JON YOUNG, Editor WPT (World Poker Tour) Magazine

"Les Golden makes numbers hilarious. He's simply the funniest gaming strategy writer there is. His writing is 'rakish' and 'bondesque.'"—PHILIP CONNELLER, Editor, Bluff Europe Magazine

"The dialog crackles and the fictional elements brilliantly illuminate how cool Ed Thorp is. And there's just the right amount of blackjack and math. I love it."—AARON BROWN, Professional gambler, Wall Street risk manager

Author, The Poker Face of Wall Street

The Video Games Guide is the world's most comprehensive reference book on computer and video games. Presented in an A to Z format, this greatly expanded new edition spans fifty years of game design--from the very earliest (1962's Spacewar) through the present day releases on the PlayStation 3, Xbox 360, Wii and PC. Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating, and a descriptive review which offers fascinating nuggets of trivia, historical notes, cross-referencing with other titles, information on each game's sequels and of course the author's views and insights

into the game. In addition to the main entries and reviews, a full-color gallery provides a visual timeline of gaming through the decades, and several appendices help to place nearly 3,000 games in context. Appendices include: a chronology of gaming software and hardware, a list of game designers showing their main titles, results of annual video game awards, notes on sourcing video games, and a glossary of gaming terms.
