For nearly sixty years, TVR produced some of the most thrilling, spine-tingling, hand-built sports cars to emerge from any British motor manufacturer. Yet it was the period between 1981 and 2004, under the management of Peter Wheeler, when the company finally shook off its shed-built roots and proved that it could produce cars that could match anything from Maranello or Stuttgart in terms of performance, but at a fraction of their price. Illustrated with over 300 photographs, *TVR - Cars of the Peter Wheeler Era* tells the story of the design, development and engineering of some of TVR's fastest, outrageous and most successful cars, from the retro-styled S1, to the racing Tuscan, 1000bhp Speed Twelve and the brutal Sagaris.

Designed by Mercedes's head of design Bruno Sacco, the W124 range immediately became the benchmark by which medium-sized car models were judged in the late 1980s due to its engineering excellence and high build quality. There was a model to suit every would-be-buyer, from the taxi driver through the family motorist and on to those who were willing and able to pay for luxury and performance. This book covers: design, development and manufacture of all models of W124 including estates, cabriolets and the stylish coupe range; engines and performance; special editions and AMG models and, finally, buying and owning a W124 today. Superbly illustrated with 264 colour photographs.
