## MICROSOFT ZUNE USER MANUAL Pdf Download | ManualsLib

Zune 120gb Won't Turn On I have a Zune 120gb which I bought back in 2009 and have had no problems with it until recently. About a week ago after charging my Zune I went to play some music and everything was gone. The song/artist titles were still there but the album art was missing and when I went to play a song it said "this item was missing ...

Zune 120gb Won't Turn On - Microsoft Community

Charge the Zune 80GB device for at least two hours before attempting to reset the device, as it might be as simple as a low battery. Next, see if you can use any of the other controls. If these are locked up, you might need to reset your device. You can do a soft reset on the device without actually deleting any of the materials on your device.
